

WPPI Energy Awards Program 2022 Call for Nominations

WPPI Energy is pleased to present its awards program to recognize outstanding individual achievement in member communities. The purpose of this program is to recognize and honor those member utility employees and public officials who have made extraordinary contributions to the success of WPPI and to showcase individuals who have made their communities better places to live and work through their dedication to local groups, clubs and organizations.

If you would like to nominate a worthy recipient eligible for one of these awards, please submit the appropriate form in this packet. A utility employee other than the nominee must complete the form. Governing body officials also can nominate an individual or utility.

Award recipients will be honored during a special ceremony at the WPPI Annual Meeting on Thursday, September 15 in Middleton, Wis. All nominations are due Friday, August 5.

The Awards Program Judging Committee, in conjunction with WPPI staff, will provide a list of potential nominees who meet the criteria to receive this award to the Executive Committee. The Executive Committee may evaluate these nominees and determine whether they receive the award.
